### PROFILE

#### Passionate Front-end Developer

- Proficient in HTML5, CSS3, and JavaScript, with 5+ years of experience crafting pixel-perfect, responsive web interfaces.
- Skilled in React.js and Redux, contributing to a 30% increase in user engagement through streamlined UI components.
- Strong advocate for accessibility, ensuring compliance with Web Content Accessibility Guidelines **WCAG** standards and improving site usability for all users.
- Effective communicator and team player, collaborating closely with designers and stakeholders to translate vision into reality.
- Committed to continuous learning, completing 10+ online courses on modern front-end development practices.

### EDUCATION

#### Computer Engineering

Ladoke Akintola University of Technology  
04/2021 – 08/2025 | Ogbomoso, Nigeria

**GPA: 3.8/4.0**

#### Relevant Coursework:

- Web Development
- Data Structures and Algorithms
- User Interface Design
- Additional Information

### COURSES

#### Responsive Web Design Certification

FreeCodeCamp  
05/2021 – 08/2022  
FreeCodeCamp, Online - Completed August 2021

### PROJECTS

#### E-commerce Website Redesign

An Ecommerce Product service

03/2024 – 04/2024

**Size, Scope & Scale:** Led the redesign of a medium-sized e-commerce website with over 1,000 products and an average monthly traffic of 1,000 users.

**Outcomes:** Implemented a modern, responsive design resulting in a 20% increase in mobile conversions.

- Utilized React.js and Redux to enhance performance, reducing page load times by 30%.
- Improved user experience through intuitive navigation and streamlined checkout process, leading to a 15% decrease in bounce rate.

#### Learnings:

- Gained proficiency in React.js and Redux while implementing complex state management solutions.
- Learned effective project management strategies, including task prioritization and stakeholder communication.

### SKILLS

#### Front-end Developer

Front-end Development: HTML5, CSS3, JavaScript React.js, Redux  
Version Control: Git, GitHub

#### Problem-Solving:

Demonstrated problem-solving abilities by implementing innovative solutions to complex technical challenges.

#### Creativity:

Developed visually appealing user interfaces, contributing to a 30% increase in user engagement.

### LANGUAGES

English

Youruba

Specialized in creating fluid and adaptive web designs, allowing me to successfully revamp the company's landing page, resulting in a 25% increase in conversion rates.

#### **Advanced React and Redux**

Code Academy

05/2020 – 05/2022

#### **Code Academy, Online - Completed May 2022**

Mastered state management and complex React patterns, which I utilized to enhance the user interface of our main product, leading to a 30% improvement in user engagement.

#### **Modern JavaScript and ES6**

JavaScript Institute

02/2021 – 02/2023

JavaScript Institute, Online - Completed March 2022

Updated my JavaScript skills to include ES6 features, streamlining code maintainability and improving project delivery times by 15%.

## INTERESTS

### **My Hobbies**

At the end of my resume, I include interests that reflect my personality and add depth to my professional profile. These interests are carefully selected to be engaging and provide insight into my character without overshadowing my professional qualifications.

- Table Tennis Enthusiast

Passionate about table tennis, a sport that sharpens my reflexes, enhances my strategic thinking, and provides a dynamic way to stay fit. Regularly participate in local tournaments and enjoy mentoring new players in the community.

- Tech Meetups and Conferences

Keen participant in tech meetups and conferences, especially those focusing on front-end development and emerging web technologies. This not only fuels my passion for learning but also keeps me connected with industry trends and fellow professionals.

These interests showcase my dedication to personal growth, community involvement, and a commitment to staying at the forefront of my field. They are a testament to my belief in continuous learning and my ability to balance intense focus with active relaxation.
